ACTRESS BETTY ROADMAN

ACTRESS TO ADDRESS LOCAL DINNER CLUB

The Executives' Dinner Club of the Torrance Area will hear Betty "Mom" Roadman, a Hollywood character actress of a dozen roles, who spent seven months in the islands of the Pacific with an entertainment

unit and there received the nickname of "Mom" from her boys out there, on the evening of Jan. 6, 7:30 p.m. at the Plush Horse, it was announced today by President J. H. Hull.

"Mom" Roadman lived in Hollywood some 28 years, during which time she has "absorbed a lot of atmosphere." Actually, she has done much more than that. She played in such box office hits as "The Man Who Came to Dinner," "Hitler's Children," "The Life of Mark Twain" and many other.

Her talk, however, will definitely not be on Hollywood, the movies, or the theater. She prefers to discuss an "Actress Views America," a more or less personal story based on what she saw of "her boys" during her extended stay in the Islands of the Pacific.
